## THE EXPERT

**Vijaya Sundaresh** has been a teacher, trainer, facilitator and a motivator for over 20 years. Vijaya was always fascinated by the disparity in people and always wondered why some people are always in control of their life and highly successful and some are not. This led to an extensive study of how the mind works and how one can design one's own destiny, giving Vijaya vast experience and credentials in NLP, Graphology and Signature Analysis.
